Of East Valley

Inactivate Viruses in Your Home!

The Aire Serv Sterile Sweep UVC Light is 330% more powerful than standard residential UVC lights and will inactivate viruses and bacteria including the COVID-19 virus and other harmful pathogens that move past it in the HVAC ductwork. It can also help reduce indoor allergies by removing contaminants such as dust and pet dander from the air. Be proactive and protect the airspace in your home or office **TODAY** with our Indoor Air Quality package which includes the Sterile Sweep UVC Light!

Indoor Air Quality Package!

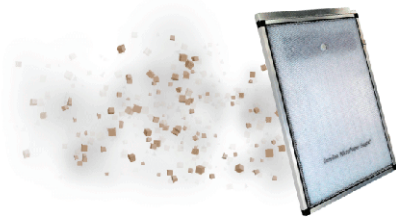

For a limited time, we're offering an exclusive Indoor Air Quality Package which includes the Sterile Sweep System and an Electronic Air Filter.

Sterile Sweep System
